MAGIC EDITION - phenomenally different!

The exclusive MAGIC EDITION models are sure to bewitch all fans of motorcaravanning. They convince all those motorhomers who like remarkable design and exclusive equipment with their fascinating and extravagant exterior designs. You can choose between SILVER and BLACK editions. Both offer unique and independent exterior and interior designs.

MAGIC EDITION is also equipped with a luxurious level of specification for a very attractive price! The MAGIC EDITION equipment package consists of everything you will require for a comfortable and stylish holiday, powerful engine, alloy wheels, roof railings, flush fitting windows and real leather upholstery for the BLACK edition.

MAGIC EDITION is available as Low Profile model (H) based on the reliable Ford Transit with rear wheel drive or as Low Profile (T) and A-Class models on the Fiat Ducato with front wheel drive. Regardless of which one you choose, practical living room solutions will ease your decision process for a most magical holiday.

Feel the pure Magic - now at your dealer location!

Enjoy

Storage is the domain of the Low Profile (H) models. A large rear garage underneath the high-level single beds in the H 6915.

**... and wishes
come true!**

The large sunroof in the cab bonnet transforms the interior lounge into a sun deck (part of the MAGIC EDITION package).

Ergonomic and aesthetic at the same time: the modern kitchen centre with large fridge, separate freezer and practical drawers.

Magical variety

Design variations, living room solutions, construction types – you are spoiled for choice. Also when it comes down to the vehicle base: by choosing the Low Profile H you receive the powerful Ford Transit with rear wheel drive and twin wheels – an ideal configuration for those who like to tow. Its basic construction allows masses of roomy storage, especially in the rear. The Low Profile T and A-Class models are built up on the modern and stylish Fiat Ducato with front wheel drive. Its original low platform chassis with broad gauge ensure safe driving and stable dynamics.
